**Quad Core processor 1.6 GHz  
Android 4.2.2 Jelly Bean  
2GB RAM and 8GB ROM  
microSDHC, HDMI, WiFi  
Miracast/DLNA  
Google Play support**

## EVOLVEO Smart TV box Q4

**EVOLVEO Smart TV box Q4 turns your tv into a multifunctional Android Smart TV once you connect it over HDMI!**

EVOLVEO Smart TV box Q4 can be simply controlled by movements with FlyMotion keyboard in your hands. The on-screen cursor follows the movement of your hand in the air.

### Quad Core power

Extreme speed is ensured by the powerful quadcore processor, quad core gpu and 2GB ram!

Enjoy fast webbrowsing, most computing power demanding games, multitasking and possibility to download large files-either over Wifi or over network cable. Internal memory can be extended using a microSDHC card with up to 32 gb capacity

### Newest Android OS

Uses the newest Android 4.2 Jelly Bean, just like modern Android smartphones or tablets. Use your favourite Android applications such as Google Chrome webbrowser, weather forecast, internet radios, YouTube video streaming or thousands of games from Google Play.

Control over the Android OS on tv screen is made simple thanks to the infrared remote control, which is a part of the wide range of accessories, included in the standard package.
