### **3. SIM cards, T-flash & Battery**

#### **Inserting Battery**

Open the battery cover on the back of your phone. Align the battery's contact points with those of the phone and gently press the battery down into place. Replace the battery cover clicking it back into position

#### **Removing Battery**

Switch off your phone. Open the battery cover. Gently shift the cover and open. Lift the battery up and out of your phone.

#### **To install SIM cards**

Your device is supports two SIM cards. Remove the battery if it is installed. Locate the SIM card slot, and then insert the SIM card with its gold contacts facing down and its cut-off corner facing out the card slot. Slide the SIM card completely into the slot.

#### **To install T-Flash card**

To have additional storage for your images, videos, music, and files, you can purchase a memory card and install it into your device. Remove the battery if it is installed. Insert the memory card into the slot according to

the indication icon. To remove the memory card, perform according to the conversed installations.

#### **4. Charging the battery**

The rechargeable Li-ion battery that comes with your phone is ready to be used, but is not charged. It is easy to do & can be done in 3 simple steps below:

Connect the charger to your phone, and plug it into a socket.

The battery indicator in the corner of the screen will scroll to show its charging.

When fully charged, the battery indicator will stop scrolling. Disconnect the charger from your mobile, and unplug.

#### **5. Power ON/OFF**

Press the power key to power-ON/OFF the phone. When you turn your phone on, it'll automatically check the SIM and show the following information on screen:

Input SIM1 PIN: If you've set a PIN for your SIM1.

Input SIM2 PIN: If you've set a PIN for your SIM2.

*Note: The PIN is supplied with your SIM.*

*Please replace it with your own PIN code as soon as possible. Enter the wrong PIN three times, and your SIM will be locked. Then you'll need to contact your network service provider to ask for a PUK code to unlock it. It is applicable for both the SIMs if you are using 2 SIM Cards.*

## **6. Use Notification Bar**

As a new notification appears in the notification area, slide down the notification bar to view their contents.

## **7. Expand Main Interface**

The main interface may extend and exceed the screen width to provide more space for newly added shortcuts and tools.

Slide your finger horizontally on the main interface to extend to the left or right area of the main interface.

## **8. Install APK through File Manager**

APK is a supported file format for the Android mobile operating system. Please copy the downloaded APK file into the SD card, and then insert the SD card into the phone. In Idle mode, click Main Menu to

enter the main menu. Click “File Manager” to enter the directory of SD card. Click the APK file you wish to install, and follow the installation wizard.

## **Using your Phone**

### **1. Main Menu & Its Functions**

*Note: To use this app please connect to an internet connection.*

#### **21) Installed Apps**

#### **22) Settings**

## **2. Wi-Fi**

Your Smart Phone supports Wi-Fi which allows you to connect with a Wireless connection. This is useful for surfing internet on phone.

Go to Settings--Wifi, activate Wifi .

Enter WiFi, select the hotspot you want to connect.

If the hotspot needs password, you have to enter the right password first, and then use Wifi properly.

## **3. Inputting Text**

### **1) Intelligent keyboard**

Your smart phone automatically corrects and suggests words as you type.

### **2) Cut, Copy and Paste**

Touch and hold text content to bring up the magnifying glass, and then slide your finger to move the insertion points. Then choose to cut, copy, or paste. It is very easy to copy text from web pages, email, or text messages.

## Maintenance

Use a dry soft cloth to wipe general dirt.

Do not use a hard cloth, benzene or thinner to wipe the phone, otherwise, the surface of the phone will be scratched or could even result in the fading of color.
