What Productivity Means Today

25-word description

Our most comprehensive productivity solution ever, Microsoft® Office 2000 Premium delivers on the promise of the Web. Eight powerfully integrated applications that make it easier than ever to access and share information.

Features/benefits

- Manage your day efficiently. Send and receive e-mail, coordinate schedules, and track activities with your contacts—using personal information management in Microsoft® Outlook®.
- Create a great Web site easily with Microsoft® FrontPage®. You can edit, update and manage it all from within a single view.
- Create professional, custom graphics—for print, presentations, and the Web—with Microsoft® PhotoDraw™.
- Share your work online. Create a document in Microsoft® Word or any other Office application and publish to your Web server.
- Work smarter as a team. Use Microsoft® Excel to quickly publish interactive spreadsheets, charts, and PivotTable® solutions to your intranet so your coworkers can perform their own analyses.
- Create, manage, and share a database. Microsoft® Access makes it easy to organize your data and share it online for better business decisions.
- Create powerful presentations quickly. The new Tri-Pane View in Microsoft® PowerPoint® makes it easy to add new slides, edit text, and enter notes—all from one window.
